Spring 2016

The William Bull and Sarah Wells Stone House Association, Inc

Keeping The Stone House strong and the Bull Family connected to each other and the world.

From the President

Lyle Shute

lshute@hvc.rr.com

Greetings Cousins! As your new William Bull and Sarah Wells Stone House Association Board President, I am delighted to share my first "From the President" piece. I look forward to serving you and the Association as we go forward with our history.

It wasn't a very snowy winter around the Bull family homestead, but spring is always a welcome event. And even though the bears were in hibernation, the Bull Board was not. We were affected by one of the few snow storms in January when it postponed our Board meeting, but that made our meeting in February all the more productive.

We covered a lot of pending issues, committees were solidified, and several Association infrastructure items were reviewed.

The board gave sincere thanks to outgoing President, **Todd Vandervort** for his ten years of unwavering service. Todd will continue his dedication to the board by staying on as Nominating Committee chairperson. Considering joining the board? Todd can be reached at Todd@vandervortgroup.com. Thank you again Todd.

We welcomed our newest Association board member, **Patti Banks**. She immediately jumped in with both feet by taking the helm of the Development Committee as the chairperson, succeeding board member **Cindy Chadwick**. The chairperson is responsible for coordinating the Annual Giving Campaign, ongoing fundraising and grant efforts. Thank you to Cindy for her years of guidance and leadership in Development, and for continuing on as a Development Committee member to assist in maintaining continuity and sharing her expertise.

As of this writing our **Annual Giving Campaign** has generated donations almost \$20,000.00. Although the focus of the Campaign is year end, it is never too late to donate. We have made things very easy by creating a donation page on our website where you can visit and donate any time of day or night. www.bullstonehouse.org. Every donation, no matter how large or small, makes a difference and we thank you for your continued support.

A very important project we are addressing is updating the Association by-laws. As new state regulations for non-profits have been enacted, we need to conform to the latest requirements. As such, we have retained a specialist in non-profit by-laws to help us with this task. We have also instituted a by-laws sub-committee to lead the effort in completing this necessary project.

As always, the **Annual Bull Family Reunion and Picnic** will take place on the first Saturday in August; this year it is **Saturday, August 6th**. We are so excited to present our theme of

ANNUAL MEETING NOTICE

PLEASE TAKE NOTICE that the ANNUAL MEETING of the WILLIAM BULL AND SARAH WELLS STONE HOUSE ASSOCIATION, INC. will be held on Saturday, August 6, 2016 at one o'clock PM, E.D.T. at THE BULL STONE HOUSE, Hamptonburgh, New York for the transaction of such business as may come before it and to elect (4) directors.

"Celebrating Amy Bull Crist"! All the picnic details are on page 2 & 3 of this BULL-e-tin but suffice it to say that we hope the day will be as memorable as the force of nature that was Amy!

And while you're visiting our website, did I mention our website yet? -www.bullstonehouse.org - Be sure to select the "History" tab and spend some time reading the excellent **"Tales from the Blue Book"** pieces. Our very talented cousin, **Bob Eager**, has edited this series and they are a real treasure. There are still more to come as they are released monthly.

I look forward to seeing you on August 6th. Find me and let's have a chat. If you'd like to speak to me before then, call me at (845) 614-0592.

Celebrating Amy Bull Crist

On March 9th of this year, **Amy Bull Crist** would have turned **110 years old**. On August 6th, 2016 the 149th Annual Bull Family and Reunion will be a celebration of all things Amy. Amy was a 7th generation member of our family, the 2nd of four daughters born to **Bartow Wright Bull and Mary Ann Manning** in "Brick Castle" and a powerful woman in many facets of life in Orange County. She held several positions with the Bull Family Association and was an integral part of shaping education in this area. Amy began her teaching career in a one room school house and went on to become the **District Superintendent of Schools in Orange County**. She was a major part of the development of Orange County Community College as well as Orange-Ulster BOCES.

To celebrate this dynamic character in our Bull Family story, activities at Bull picnic will include some trademark "**Amy-isms**". Amy was known for her strength as well as for her **signature pearls**; addition-

ally for her love of a certain **German chocolate cake**. Sign up to bring a cake or cupcakes for our **Amy's Cake-Walk***. Let us know when you **RSVP to Picnic online** at www.bullstonehouse.org.

Kids and grown-ups! Come to picnic dressed as you remember Amy for the **Amy Bull Dress-Up Contest** or head over to **Amy's Dress-Up Corner** where we'll have some accessories you can wear to show that certain Amy style.

Be sure to bring your memories of Amy to share with your cousins over picnic lunch and most of all, don't be late; **punctuality**

was very important to Amy. Oh, and maybe bring some ham...she liked that too.

*see below for Cake Walk description.

As part of "I Love NY's" **Path Through History** program, The Bull Stone House and New World Dutch Barn will be open to the

public for tours on **June 18th from 1-4 pm**. Tell your friends who have always wanted to get a sneak peek inside this piece of colonial America's history.

The house and barn will again be open to the public in September as part of **The Hudson River Ramble**. **Saturday the 10th from 10:00 am - 1:00 pm** and **Saturday the 17th from 1:00 - 4:00 pm**.

*Amy's "Cake Walk" \$3.00/ticket

What is a Cake Walk anyway?

The Wikipedia description of a cake walk: **Cakewalk** (or **cake-walk**) is a game played at carnivals, funfairs, and fundraising events. It is similar to a raffle and musical chairs. Numbered squares are laid out on a path. Tickets are sold to participants, with the number of squares in the path equal to the maximum number of tickets sold. The participants walk around the path in time to music, which plays for a duration and then stops. A number is then called out, and the person standing on the square with that number wins a cake as a prize (hence the name).

We'll play our version so bring your baked good and \$3 ticket money for a fun time. Sounds yummy!

**Genealogist's
Corner**

**Cel-ah-brate Good
Times, Oh Yeah!!**

How does one celebrate a milestone? Well since my milestone is that I am very fortunate to have been the Bull Family Genealogist for a **decade** this year, I'm celebrating by closing in on **75,000 names** recorded in the Bull Family Genealogy!

When I took over as genealogist in 2006 we had about 45,000 names recorded. I actually celebrate every time I find a missing family record or piece of Bull genealogical information. It's like solving a puzzle or a mystery. I love it!

Want to join the celebrating?? But how, you ask, if you live far away from the Bull Stone House and Orange County, NY? **I'll tell you how!** With the advent of the computer and the internet, the world of genealogy has been opened wide!

Access on the internet to Ancestry.com, Find a Grave, FamilySearch.org, and using e-mail, we are able to learn where our ancestors lived, where they are buried and whom they married, all from the comfort of our living rooms.

Now that I am retired from IBM, I'm raring to go and I invite you to join me in discovering hidden treasures of information about our family line. I have several genealogy sleuthing volunteers but with 74,000 names to research, we need a small army; an army of BULLS!

All you need is a computer and access to the internet and I will provide the training. We have so much more to learn about William Bull & Sarah Wells and their 12 children.

**Historical Interpretation & Collections
News**

Linda Bull
lbull08@frontiernet.net

What a paragon of history is The Bull Stone House. Yes, the structure itself is an historical architectural wonderment, but after 300 years can you imagine the treasure trove of historical riches there are stored within its walls? The **Historical Interpretation & Collections Committee** along with several Association Board members and assorted volunteers have been chipping away at closets and storage areas to gather, identify, sort and preserve these meaningful items which tell our family's story. One of those volunteers, cousin **Marc Nozell**, has provided the HIC committee with access to software called "Collective Access" and donated the website to store the copies of all our scanned treasures. *Collective Access is free open-source software for managing and publishing museum and archival collections. It has been used by New York Society Library, Smithsonian Channel and the New York State Archives.*

We are thrilled to have had about a dozen volunteers respond to the Bull Survey this past year, willing to help with this vast and important project. Some volunteers living in and around Orange County, will help with the sorting and scanning, and those who live elsewhere will be helping with transcribing and notating on Collective Access. We are still looking for help with both aspects. Near or far, your Bull family needs you. Please contact me at the address above or **Judy Wood** at bullfamilygenealogist@verizon.net. All you need is a computer and access to the internet; the HIC committee will provide all the training necessary over a conference call.

Don't miss out on **Genealogy and History Day!** Friday **August 5th from 1:00 - 4:00 pm** on the grounds of the Bull Stone House. More details on page 7. Yours in history, Linda Bull
