The William Bull and Sarah Wells Stone House Association, Inc

Keeping The Stone House strong and the Bull Family connected to each other and the world.

Hello cousins!

I hope you all have had a wonderful year and are making your plans to attend the 152nd Annual Reunion of the descendants of William and Sarah Wells Bull on Aug. 3, 2019. Our Annual Reunion and Picnic is the second oldest, continuous annual family reunion in the country! Not too many people in America can say that they are part of a such an incredible legacy, something we can't take for granted.

I would like to share a recent example of preserving the legacy of the Bull family. A descendant, Penelope Ann Bull Clary, of Sarasota Florida, sent two family bibles for preservation in the Bull archives at the Homestead in Campbell Hall, NY. These bibles date back to the early 1800's, over 200 years old. One bible was Henry James Walsh's, grandfather of one of the early Bull genealogists Stevenson Walsh, and the other was from Penelope's father

Richard Leonard Bull. Penelope's words regarding the Bible donation "I'm doing this for my Father; the Stone House is where these bibles belong." We are so honored to receive these important family legacy items, with hand written ancestor records inscribed throughout, Thank you Penelope for contributing these items to our collections at the Homestead. We truly play an important role preserving our part of the nation's history.

Now lets talk Picnic! This year's theme is "Homecoming". The August reunion isn't just our family reunion, it is also the annual meeting of members of the William Bull and Sarah Wells Stone House Association, Inc, a nonprofit incorporated almost 100 years ago to preserve the pillars of our family - the historic Bull Stone House and estate, the annual reunion, the written genealogy and the volunteer effort.

This year, our main focus is on the Stone House, the various repairs and securing a live-in caretaker. As many of you know, the house has been in Bull family ownership for almost all of its years since Sarah and William built it in the early 1700s and has had a Bull descendant living in it for most of that time. We are looking for a Bull descendant to be our new caretaker and invite you to send in your letter of interest if you would like to be considered.

ANNUAL MEETING NOTICE

PLEASE TAKE NOTICE that the ANNUAL MEETING of the WILLIAM BULL AND SARAH WELLS STONE HOUSE ASSOCIATION, INC. will be held on Saturday, August 3, 2019 at one o'clock PM, E.D.T. at THE BULL STONE HOUSE, Hamptonburgh, New York for the transaction of such business as may come before it and to elect (5) directors.

It's Bull Picnic Time

What comes to mind when you hear the words “**let’s have a picnic**”? I bet you think **food, family, and FUN** and that’s just what we are planning for this year’s Annual Bull Family Reunion and Picnic!

The Picnic Committee is working on several new ideas for this year’s gathering which will include activities for ALL ages. Yep, that means **out-of-your-seat** active participation with laughter and family enjoyment, but you’ve got to be there to be a part of all of the excitement.

Plans include a **corn hole tournament** with beautiful new, handmade regulation corn hole boards created and delivered by our cousin **Karl Franck**, all the way from New Hampshire! New **horseshoe pits** are in the works, so get your teams ready! Sign-up boards will be at the registration tent; don’t miss out!

Picnic is also a time to get to know our cousins better. We will be recording memories and stories you’d like to share. What is **your first, or your favorite memory** of The Stone House or Bull Picnic? Have any fun or poignant tales about your family to share? We know there are many treasured memories out there, so start reminiscing with your kin.

Look for several activity centers where you can create take home items. Get your shaking arms ready to make some old fashioned “**Bull Butter**” to share and enjoy.

This year’s picnic theme is “**Homecoming**”. Come home to family. Come home to your roots. Come home to your family homestead. Come home to simplicity and the chance to create lifelong family memories with the cousins you know and the ones you’ve yet to meet. Come home on

Saturday, August 3rd!

See the full picnic invitation with more details on the next page.

The Bull association is funded each year almost entirely by donations from its membership, which means that we ask each of you to consider making even a small dollar donation to the association. It’s easy to do online by utilizing the DONATE button on our website www.bullstonehouse.org. You can also mail a check to the address listed on page 1 of this BULL-e-tin. For 100 years, the expenses to preserve our four pillars have been paid for by people like you.

We are increasingly using social media to share Association updates, committee needs, requests for help, and so on. You don’t have to live close by to help on tasks, so don’t let the distance stop you! Nearly 80 percent of our membership lives 100 miles or more from the Stone House.

Please be sure we have your current e-mail address and update it whenever you make a change. The less we spend on postage, the more funds we have to put toward other needs.

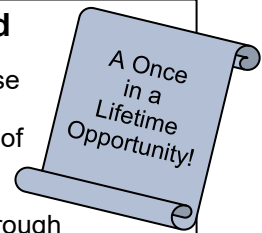

In light of our ever increasing financial needs, this year we formed a committee to investigate ways to create a revenue stream outside of donations. The Economic Development Committee will be investigating a solar farm development. A solar farm is a bank of solar panels spread out on about 20 acres. This sustainable technology provides clean energy to the utility grid, utilizing a ground mounted solar array for which the Association would receive long term lease payments for hosting on the property. We are only in the very beginning stages of due diligence, but I wanted to communicate the long term planning being undertaken.

Lastly, don’t forget to RSVP for the Reunion on our website. We look forward to seeing you in August!

You are Invited
To the 152nd Annual Bull Family
Reunion and Picnic

It is time once again to gather in reunion and catch up on the past year's news and to meet new family members. With each picnic comes new memories. This year we are celebrating Homecoming; coming home to *your* Bull homestead. If you have been here before or this is your first time attending, the **Bull Stone House is your home**. Welcome home.

If you are local to the Stone House, or are planning on arriving in the area early, we could sure use your **help on Thursday the 2nd from 1- 5pm**; we'll be setting up tables and benches and preparing the grounds.

Friday the 2nd is Genealogy/History Day from 1 - 4 pm (more about that on page 6). The main event begins at 10:00 am on **Saturday the 3rd**. As soon as you arrive, head straight to the **registration table** and get yourselves registered. You don't want to miss the opportunity of winning a blue ribbon! Sign up for Corn Hole and Horse Shoe teams at registration as well.

Bring a picnic lunch for your family and maybe something for the **Sharing Table** as your cousins did in picnics past. Tables and benches are provided but you may want to bring your own lawn chairs or picnic blankets for more flexibility and comfort. **Lunch begins at noon** with the Annual Business Meeting immediately following.

Other things to see and do during the day: Chat up an Association Board Member, pet some animals, view the **group photos** from picnics past and the **albums of newspaper articles from picnics past**, and don't forget to take a tour of the star of the day, **The Bull Stone House**. (*House tours close at noon and reopen after the Business Meeting*) Visit with our genealogist to review and update your family records, take part in craft making or kids activities, purchase a treat from the ice cream truck, share a family memory or simply visit with **all of your cousins!**

There is plenty of room for **R.V.s and campers** to stay on the grounds with our 30 amp electrical outlet standards at a fee of \$10. per night. Please **email** the Stone House at info@bullstonehouse.org to confirm space. Visit our **website for more information on accommodations in the area**. Go to the Links page to see the local hotels where we have reserved blocks of rooms. Don't wait as these go fast! For everyone's consideration, **pets are no longer invited** to Bull Picnic.

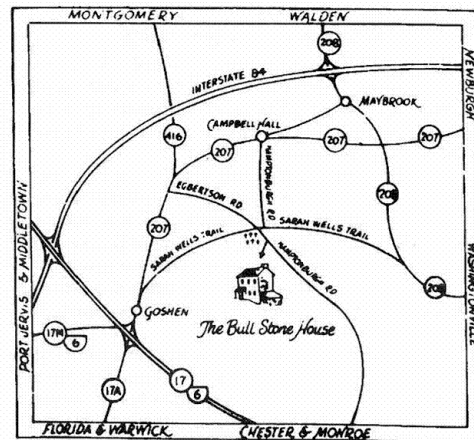

Stick around at the end of the day to **help put away tables and benches**. Then we'll share memories of another reunion as the evening settles in.

We can't wait to see you at your homestead in August!

Archival Project Update

Over the centuries the Bull Stone House has amassed quite a wide assortment of family photographs, letters and various other documents and printed material. Cataloguing this quantity of Bull history continues to be a daunting task. But the Bulls are getting busy and the work is underway!

gr-daughter of
Hasbrouck Decker

So far, volunteers have **scanned 1656 images** with only **132 transcribed**. So, yes, **we need your help**. If you have a computer, can use a mouse and can surf the web, you are more than equipped to help with this process. No special software to install or complicated instructions.

Buildings and Grounds

Bice Wilson - Chairperson
bicewilson@gmail.com

Looking ahead to building improvements in 2019.

Over the past two years your board has been pursuing improvements to the Stone House on many fronts: electrical safety, mold remediation, and identifying necessary masonry and carpentry repairs in the Basement level. We are in the process of soliciting bids for the replacement of the family room and kitchen windows, for related masonry and waterproofing repairs, and for new finish carpentry and plaster work to restore the family room and kitchen. We will also be pursuing new ventilation systems in the basement to assure combustion air for the boiler, and assure the movement of fresh air through the basement. These projects will be undertaken after the picnic, and will be ready for the arrival of our new caretaker.

Bull Stone House Once Again Open to the Public

The Bull Stone House is proud to again participate in the "I Love NY's" **Path Through History** program, The Bull Stone House and New World Dutch Barn will be open to the public for tours on **June 15th from 1-4 pm**. And again in **October on the 6th**. Tell your friends who live near by and have always wanted to get a sneak peek inside your amazing family's homestead!

Nellie Bull, Bartow Wright Bull & Douglas Howell Chessen - 1964

Cousin **Marc Nozell**, *line of John*, is leading the effort and is happy to get you started contributing to this interesting and important project. **Contact Marc at marc@nozell.com** for more information and to see what amazing

things have been discovered in your family history.

Join the Bull Pen

Hear Ye, Hear Ye... We are looking to build our **Bull Pen!** What is it? How can you join? What does the **Bull Pen** do? These are all very good questions and we have the answers.

Your family Association is integral to keeping our heritage alive and our beautiful, unique homestead well taken care of. However, it doesn't happen magically. We need more members to join the work force and get involved both now, and **for our future.** There are so many ways to do this, and we are sure that you will find the perfect avenue that works for you.

The **Bull Pen** is a group of Bull cousins, just like you, who choose to get involved wherever they have experience or interest. If you enjoy getting your hands dirty and are able to perform physical tasks on the property, please become a part of the Buildings and Grounds Committee. If you are into social media and communications, you know, the techy stuff, then join the Public Relations & Communications Committee! The Picnic Committee is a welcoming group that is always looking for ideas and suggestions to make our Annual Reunion a memorable experience. There are so many ways you can become part of the herd and *living nearby is not a requirement.* The current Board wants *and* needs you in order to keep future Bull generations informed and excited about their family roots. Our **Bull Pen** members will also be asked to share their interest in becoming Board members in the future. We **NEED** you! Please don't leave it *up to others.* The number of those *others* is dwindling and our active herd needs to be grown.

If you have an interest in becoming a part of our **Bull Pen**, please contact **Todd Vandervort** - todd@vandervortgroup.com

You're good at sharing

Last year's **Sharing Table** was a huge success so lets keep it going! Records of Bull Picnics of the past talk about the delicious foods our cousins brought to share -

"The basket dinners were something to marvel at. Everyone brought his own but the fare was **shared by all** on the communal tables. The traditional staple has always been **fried chicken.** Along with this, the early minutes mention the **piles of fresh bread and biscuits,** the fragrant aroma of coffee and **baskets of peaches.** Especially remembered were **Mrs. Jesse Booth's cinnamon rolls, Mrs. John Thew's cakes, and Mrs. Santee's delicious peach pies.** There were also muskmelons and watermelons from local gardens and **Mrs. Lewis Woolsey of New Paltz** always brought great bunches of **luscious grapes.**"

Many of you already share amongst your immediate family but if you'd like to **bring along a special something,** something maybe your ancestors were known for bringing to picnic. We'll have the sharing table in a prominent location and don't forget to bring a copy of your recipe, if appropriate, and a serving spoon.
Remember...*Sharing is caring.*
